Dear Madam/Sir:

We are in the process of updating our Research Agency files and have noted that the most recent information we have received from you was in March, 1989.

We would appreciate your forwarding any current brochures, application forms or other information pertaining to programs supported by your agency.

Because the Office of Research Services is the main distribution centre for research information throughout the University of Western Ontario, we would also be grateful if you would include us in your permanent mailing list.

With thanks,

Sincerely,

Sheri Clift
